THE MUSIC TRANSFORMER
WHERE SOUND RETURNS TO MUSIC

PRICE LIST

AURIS V SYSTEM

THE ART OF INTIMATE LISTENING

19.000,00 € per set

AURIS V ATMOS

46.900,00€ per set

7.2.4 REFERENCE SYSTEM

Four **AURIS** loudspeakers build the main front and surround foundation, complemented by three **AURIS OnWall** units for center and side channels. Four **AURIS OnWall** ceiling speakers generate the full Atmos height layer. Two **AURIS subwoofers** ensure balanced low-frequency distribution throughout the room. A high-resolution reference configuration designed for large listening and home theater environments.

THE MUSIC TRANSFORMER

The complete audiophile work of Apani
— a Swiss-made family of active, time-coherent listening instruments.

Not as playback. **As presence.**

Not as equipment. **As experience.**

Not as a loudspeaker. **As a Music Transformer.**
